### **Public Warming Station | Dec. 11th - Dec. 14th**

**ANNISTON, AL** -- Citizens of Anniston, please be aware of potential freezing temperatures beginning this weekend and continuing throughout early next week. In light of the weather conditions, a public warming station will be available at the Carver Community Center (720 W 14th St, Anniston, AL 36201). The warming station will open this coming Saturday, December 11th, at 5:00 PM and it will remain open through next Tuesday, December 14th, until 7:00 AM.

This warming station effort is being led by the City of Anniston's Community Task Force on Homelessness. The Anniston City Council established the Community Homelessness Task Force to provide policies, plans, and programs to facilitate and coordinate efforts among community partners to improve the response to the homeless population.

For more information on the warming station, please contact the Carver Community Center at: 256-231-7630.

If you are interested in donating meals and/or assisting in meal preparations for the warming station, please contact Ms. Diane Smith at 704-904-8774.
